Strong Communication

INTERESTS

Learning New Technologies |
Problem Solving and Innovation

ACHIEVEMENTS

- Internship's ,
  Internship Studios
- One Day Innovation ,
  RJSPM
- Tally ERP9,
  SoftTech Computer Education
- State Level History Wisdom
  Examination,
  Itihas Shikshak Mahamandal

PROFESSIONAL SUMMARY

Dynamic Full-Stack Web Developer skilled in building scalable, user-friendly applications using React.js, Node.js, Express.js, and MongoDB. Proficient in responsive design, API integration, and secure authentication. Completed a Full-Stack Web Development course, ready to deliver impactful, modern solutions.

WORK EXPERIENCE

INFINITY CONSULTANT
VN ETHERNET INDIA PVT LTD | November 2020-present
Job responsibilities:

- Installed, maintained broadband equipment, and provided technical support for connectivity issues, improving customer satisfaction.
- Collaborated with teams for network installations, repairs, and maintained records for efficient operations and service improvements.

PROJECTS

1. BLUE FLY Clone | 🌐 | ⊗

React | Git | Node.js | Express.js | MongoDB | RESTful APIs | HTML5 | Responsive Web Design | JavaScript | Tailwind CSS

- Implemented product search, sorting, and dynamic categories, along with a custom JSON-based API for efficient product management.
- Integrated user authentication, favorites functionality, and responsive design for a seamless and secure shopping experience.

2. Croma Clone | 🌐 | ⊗

HTML5 | CSS3 | Responsive Web Design | JavaScript | React | Node.js | Express.js | MongoDB | RESTful APIs | Git

- Displayed products with images, prices, and details, and integrated search, filters, and dynamic routing for seamless navigation.
- Implemented user authentication, cart functionality, sticky navbar/footer, and MongoDB backend integration for secure data storage.

3. Sugar Cosmetics Clone | 🌐 | ⊗

HTML5 | CSS3 | JavaScript | Responsive Web Design | React | RESTful APIs | Git

- Showcased beauty products with detailed descriptions, organized by categories, and integrated advanced search, filter, and dynamic routing for easy browsing.
- Implemented secure user accounts, cart management, product detail pages, and MongoDB backend for efficient product and user data handling.
